

OFFICE OF THE OVERSIGHT COMMITTEE, NGT, UP, LUCKNOW

February 18, 2020

Today, we discussed some of the issues relating to functioning of office of the Oversight Committee. Till date, only one Research Fellow has been provided to us in the mid of February, 2020. The Committee is obliged to execute the orders passed by Hon'ble NGT, touching various issues of Solid Waste Management, Bio-medical Waste Management, Hazardous Waste Management, Plastic Waste Management, E-Waste Management, Construction and Demolition Waste Management, etc, compile datas from different parts of the State relating to aforesaid issues and submit reports to Hon'ble NGT to deal with related matters effectively. While performing the job entrusted to us by Hon'ble NGT, we are facing acute shortage of staff. We are thus of the view that internship programme for LL.B/LL.M/ Environmental Studies/Research students may be initiated, which may be of some assistance to the Committee in achieving its goal.

Accordingly, we are of the view that publication of such Internship Programme as mentioned above, may be made in Hindi and English dailies having large circulation in the State of UP in the manner as hereinbelow:
